<sup>E</sup>  
I hear that train a comin It's rolling round the bend  
and I ain't seen the sunshine since <sup>E7</sup> I don't know when  
<sup>A</sup> I'm stuck in Folsom Prison and time keeps dragging <sup>E</sup> on  
<sup>B7</sup>  
But that train keeps a rolling  
<sup>A</sup>  
on down to san Antone

When I was just a baby My Mama told me, "Son  
Always be a good boy Don't ever play with guns"  
But I shot a man in Reno Just to watch him die  
When I hear that whistle blowin' I hang my head and cry

I bet there's rich folks eatin' In a fancy dining car  
They're probably drinkin' coffee And smokin' big cigars  
But I know I had it comin' I know I can't be free  
But those people keep a-movin' And that's what tortures me

Well, if they freed me from this prison If that railroad train was mine  
I bet I'd move it on a little Farther down the line  
Far from Folsom Prison That's where I want to stay  
And I'd let that lonesome whistle Blow my blues away

# I Walk the Line

C F C G  
.....  
C  
.....

I keep a close watch on this heart of mine  
I keep my eyes wide open all the time  
I keep the ends out for the tie that binds  
Because you're mine, I walk the line

I find it very, very easy to be true  
I find myself alone when each day is through  
Yes, I'll admit that I'm a fool for you  
Because you're mine, I walk the line

As sure as night is dark and day is light  
I keep you on my mind both day and night  
And happiness I've known proves that it's right  
Because you're mine, I walk the line

You've got a way to keep me on your side  
You give me cause for love that I can't hide  
For you I know I'd even try to turn the tide  
Because you're mine, I walk the line

I keep a close watch on this heart of mine  
I keep my eyes wide open all the time  
I keep the ends out for the tie that binds  
Because you're mine, I walk the line

# I Will Survive

Oh, at first I was afraid, I was petrified  
I kept thinking I could never live without you by my side  
But then I spent so many nights just thinking how you done me wrong  
And I grew strong... I learned how to get along

But now you're back, from outer space  
I just walked in to find you here with that sad look upon your face  
I should have changed that stupid lock I should have made you leave your key  
If I'd have known for just one second you'd be back to bother me

Go on now go, walk out the door  
Just turn around now, you're not welcome anymore  
Weren't you the one who tried to hurt me with desire  
Did you think I'd crumble, did you think I'd lay down and die?

Oh no, not I, I will survive  
Yea, just as long as I know how to love, I know I'll be alive  
Cause I've got all my life to live and I've got all my love to give  
And I'll survive, I will survive...

## Instrumental

Well, it took all the strength I had just not to fall apart  
I'm trying hard to mend the pieces of my broken heart  
And I spent oh so many nights just feeling sorry for myself  
I used to cry, but now I hold my head up high

And you'll see me with somebody new  
I'm not that stupid little person still in love with you  
And so you thought you'd just drop by and you expect me to be free  
But now I'm saving all my loving for someone who's loving me

Go on now <sup>Am</sup> go, walk out the <sup>Dm7</sup> door  
Just turn <sup>G</sup> around now, you're not <sup>CM7</sup> welcome anymore  
<sup>FM7</sup> Weren't you the one who tried to <sup>Bm7b5</sup> hurt me with desire

 To help him to shoulder the pain in this world  
 And if you follow your feelings

# When the Man Comes Around

<sup>C</sup>  
There's a man goin' 'round takin' names,  
<sup>C</sup>  
And he decides who to free and who to blame.  
<sup>C</sup>  
Everybody won't be treated all the same,  
<sup>C</sup> <sup>Am</sup>  
There'll be a golden ladder reachin' down.  
<sup>F</sup> <sup>G</sup> <sup>C</sup>  
When the man comes around.

<sup>C</sup>  
The hairs on your arm will stand up,  
<sup>C</sup>  
At the terror in each sip and in each sup.  
<sup>C</sup>  
Will you partake of that last offered cup,  
<sup>C</sup> <sup>Am</sup>  
Or disappear into the potter's ground?  
<sup>F</sup> <sup>G</sup> <sup>C</sup>  
When the man comes around.

<sup>C</sup>

<sup>C</sup>  
It's hard for thee to kick against the pricks,

<sup>C</sup>  
Till Armageddon no shalam, no shalom.  
<sup>C</sup>  
Then the father hen will call his chickens home,  
<sup>C</sup>  
The wise man will bow down before the throne.  
<sup>C</sup> <sup>Am</sup>  
And at his feet they'll cast their golden crowns,  
<sup>F</sup> <sup>G</sup> <sup>C</sup>  
When the man comes around.

Whoever is unjust let him be unjust still.
